«The Cost of Doing Business: Breaking the Fixation on Overhead Cost Reduction»

Donation-funded NPOs are often measured by their administrative expenses. But where does the "overhead" discussion in NPOs lead? Elizabeth Searing uses data from different countries to show why the fixation on overhead does not make sense - neither for NPOs nor for donors.

Guest speaker

Dr. Elizabeth Searing is an Assistant Professor of Public and Nonprofit Management at the School of Economic, Political and Policy Sciences at the University of Texas at Dallas.
